Leasehold Pay For Use Decorating Service

The WDH Leasehold Decorating Service is now available to you on a pay for use basis. The work will be carried out by our own fully qualified decorators.

We will visit your home to measure up the room you want decorating and provide you with a free no obligation quotation. This quotation will include the preparation and decoration (of your chosen areas, to your specification) and all labour and materials to complete the works.

If you wish to proceed we can arrange to show you sample books of wallpaper and paint colour charts.

You can discuss your choices and be advised of the best products available to give your home a high standard of decoration and a quality finish.

We can help in moving furniture and taking curtains down and replacing them after the work is finished. Any furniture and carpets in the room will be covered by dust sheets to protect them before any decoration work start.
